Great Seafood. Always Fresh. Always Local.

Welcome to The Chesapeake House, a Myrtle Beach seafood tradition since 1971. Family owned and operated for over 50 years, The Chesapeake House has a long history of serving up fresh local seafood and USDA steaks that have kept guests and locals coming back year after year. From our scenic waterfront views, home-made salad dressings, Uncle Bill's famous fish stew, and our world famous cinnamon rolls made fresh daily in our bakery, your evening will be one to remember. Visit the original "Restaurant Row" restaurant and discover what makes a landmark.
