

## Nature & Wildlife RIVER BOAT TOURS

Boat Tours on a Southern River  
and Its Creeks/Swamps

Come aboard to explore the beautiful cypress lined Waccamaw River, Intracoastal Waterway, and its creeks/swamps; in search of birds, and other wildlife that inhabit these southern waters along the untouched National Wildlife Refuge.

The majesty of the moss lined river is breathtaking and the peacefulness of this natural area is appealing to all.

You'll be greeted by peacocks and gaze upon exotic animals on the drive to our docks at the back of the Waccatee Zoo.

Join us today for a Waccamaw River Tour adventure!
