The Stars of our Show!

Meet seven of our 32 magnificent stars of the show, their talents, breed and the feats they perform here at Dolly Parton's Stampede.

Friesian

One of fewer than 500 in the United States, our Friesian horse originated in the Netherlands. Selected exclusively for the Stampede, he flew first class to a new role as the majestic mount for the Master of Ceremonies.

Doc & Ace

Doc and Ace are a rare find. They are featured and perform the prestigious Roman Ride of Fire act. It takes a special horse to deal with fire effects, lights and sound. Doc is a paint horse and Ace is a quarter horse.

Jonah

Jonah is a gray paint horse and stars in all acts of the show, carrying his performers, each night, proudly. His good looks, combined with his proud bearing and gentle nature make him a favorite among children.

Shirley & Mel B

Shirley and Mel B are of the draft family of horses. They are a good natured, pulling, Percheron team. They have proudly pulled our Conestoga wagons in the show for many years.

Hollywood

Hollywood is a well-mannered quarter horse that is buckskin in color. He can be seen weaving his magic throughout the show. The distinguishing marks are his black legs and strip along his back that make him unique.
