# AMERICA'S LONGEST SKYBRIDGE

GATLINBURG  
SKYLIFT PARK

## THE MOST SPECTACULAR EXPERIENCE IN THE SMOKIES

From the top of the SkyLift, the SkyBridge stretches 680 feet as the longest pedestrian suspension bridge in North America, with glass panels at its midpoint 140 feet above the ground adding to the thrill.

With panoramic views you won't find anywhere else, walking the SkyBridge is a truly unforgettable experience and Gatlinburg's must-do adventure.
