AMERICA'S LONGEST SKYBRIDGE

SKYLIFT PARK
GATLINBURG

THE MOST SPECTACULAR EXPERIENCE IN THE SMOKIES

From the top of the SkyLift, the new SkyBridge stretches 680 feet across Crockett Mountain and reaches a height of 140 feet above the valley floor as the longest pedestrian suspension bridge in North America.

With panoramic views you won't find anywhere else, walking the SkyBridge is a truly unforgettable experience and Gatlinburg's must-do adventure.
