"Christmas is my favorite time of the year." Dolly

Christmas always held a special place in Dolly's heart. She fondly remembered snow falling in the Smoky Mountains, stockings hung by the chimney, family gatherings and the scent of evergreen that signaled the beginning of the holiday season.

Those cherished memories helped inspire the warmth and wonder of Christmas at Dolly Parton's Stampede, where families gather for a delicious four-course holiday feast, friendly competition, magnificent horses, breathtaking riding, music, laughter and plenty of Christmas magic.

Just as Dolly envisioned, it's a place for families to make memories—and make it their family tradition.
