Come early for two times the Stampede fun for the price of one

Arrive early and start your Stampede experience with our action packed pre-show. Begin by meeting our four-legged stars on the Horse Walk, then tap your toes to a live musical performance that hits all the right notes, tickles your funny bone and gets you in the Stampede spirit. While you're there grab a cold drink from the Saloon where there's something for everybody.

A Meal Unlike Any Other

Remember your mom's kitchen table? Do you recall all the meals shared with the folks you love most? When I was a little girl, my family would get together and have a big time. We'd all laugh, yell, sing, and share a home cooked meal. My Stampede brings back those good times. You and your family will enjoy the friendly competition, beautiful horses, trick riding, romance, music and laughter, all complemented by a delicious feast of the finest ingredients.

I guarantee my Stampede Dinner Attraction is the most fun place to eat. So make it your family tradition!

The Stars of our Show!

Meet six of our 32 magnificent stars of the show, their talents, breed and the feats they perform here at Dolly Parton's Stampede.

American Paint

Distinctive in color pattern and demeanor, paint horses are known for muscular good looks, making them a Western movie favorite and popular Stampede horse too.

Roman Team

This pair of Quarter Horses is featured in the prestigious Roman Ride of Fire with their rider standing astride both horses. Specially trained to deal with pyro effects, lights and sound, they'll steal your heart as they steal the show!

Quarter Horse

Our grey horse stars in all acts of the show, carrying his performers, each night, proudly. His good looks, combined with his proud bearing and gentle nature make him a favorite among children.

Draft Horse Team

Good natured, intelligent and strong, watch for the draft horse team proudly pulling our Conestoga wagons.
