New this Summer: Hike the Trails at Ober!

This summer we will offer hiking at Ober Gatlinburg! The Trails at Ober will offer guests a 1.3 mile guided hike through the woods that surround our ski slopes. Your experienced guide will go over some history of the area and will identify the many seasonal wildflowers that line the trail.

The hike ranges from easy, rolling hills to short bursts of moderate, uphill climbs. You will also encounter many interesting features along your journey, including photo ops, ponds, steps, and a bridge. There are also several opportunities to rest and hydrate. Come experience the beautiful views from Mount Harrison, on foot, at Ober Gatlinburg!

Get up close and personal with Wildlife and Seasonal Wildflowers all over the mountain.

Ober on Ice

Our 140'x75' year-round Indoor Ice Rink is the centerpiece of Ober Gatlinburg's Mountaintop Mall. We have plenty of hockey and figure skates to rent, including sizes for children. Or zip, spin, bump and zoom in our Ice Bumper Cars!

Fall in Love with Ober

Nestled against the Great Smoky Mountains National Park, the views are incomparable when our mountains are bursting with color! Ober's attractions are also available to enjoy as weather permits.

Our fall views are now more accessible than ever! The new View-finder (no additional cost) at the top of our Scenic Chairlift makes the colors of Autumn visible to those who are color blind!

A Fall Festival for All

Every autumn we celebrate time-honored traditions from the original Oktoberfest in Munich, Germany. Ober transforms into a German-themed wonderland; tents are erected for local artisans, shopping, and activities. We offer Bavarian cuisine and an outdoor Bier Garten, featuring a variety of local and international beers. Enjoy free live Oompah Music and Dance performances daily. Join the fun each year from late September through October.

Make Winter Memorable

Experience wintertime in the smokies! Whether riding the Scenic Chairlift for a spectacular panoramic view of snow-covered mountains, learning a new skill at the Ski and Snowboarding School, carving turns on the more advanced slopes, hitting the rails in the Terrain Park, or belly-laughing with the family in the Snow Tubing park, Ober Gatlinburg is the perfect destination.

Make Plans with a Group

If you have a group of 15 or more, reservations can be made for Summer or Winter activities through our Group Sales office. Call (865) 436-5423 for rates and to make group reservations. Must make reservations at least two weeks in advance.

Winter in the Smokies

A fan favorite, our Snow Tubing Park will bring joy to your family ages 3 and up. The 50-foot vertical drop is a pure rush of fun and adrenaline. The Magic Carpet lift whisks you and your tube up the hill, so no climbing is necessary!

The Cubbies Snow Zone is open on weekends and holidays to make snow dreams come true! We invite our little guests 48" and under to play in a safe snow area built just for them. Call ahead to inquire about weekday accessibility.
