WHAT IS ZORBING?

Invented in New Zealand, Zorbing is the act of rolling down a hill in a giant inflatable ball with 10 gallons of water & up to 3 people. Roll down a 1000 foot hill with 4 tracks to choose from. We are the only zorbing park in the USA.

WILL I GET WET?

YES, bring clothes to get wet & a towel.
In the summer we add cool water, in the winter we heat the water to 90 degrees, like a hot tub in a ball.

WE ALSO HAVE TOWELS, T-SHIRTS & SWIM TRUNKS FOR SALE
