

Paratransit Service

All of our Fun Time Trolley buses are lift-equipped for wheelchairs and/or other mobility aids and may be accessed at any designated Fun Time Trolley stop. For any passenger who is unable to get to a designated trolley stop, a paratransit van may be scheduled for a next-day pickup. Paratransit van reservations may be made by calling 865-453-6444. Our paratransit van service is an origin-to-destination service for the mobility impaired resident or visitor staying anywhere within the city limits of Pigeon Forge or anywhere within 3/4 of a mile of any Fun Time Trolley route, whichever applies. Permanent residents planning on using the paratransit van service must submit an ADA Paratransit Eligibility Application to the Fun Time Trolley Office, 186 Old Mill Avenue, Pigeon Forge, TN, 37863. These application forms are available at the same location. The certification process shall be waived for visitors staying in the area for no more than 21 consecutive days. Drivers are permitted to assist the wheelchair passengers on and off the lifts, as needed. All wheelchairs and mobility aids are required to be strapped down (secured) while on the Fun Time Trolleys or paratransit vans. The paratransit van fee is \$1 per person each way. (One personal-care attendant shall be permitted to ride free of charge while accompanying a passenger with limited mobility.) Information on the Fun Time Trolley routes will be provided in large print upon request to the Fun Time Trolley office.
