BUMPER BOATS

GREAT FUN FOR THE YOUNG
AND YOUNG AT HEART

At Adventure Raceway, the Bumper Boats are a wonderful way to cool down in the summer time. Get up close and splash you friends and/or family members or you can squirt them with the "water sprayer" from a distance!

THE HUMPH

Do you have what it takes to get over The Hump? The Hump is a big hill at the top of our track.

We are local and love to go here. The track is nice and its very affordable. It also has the bumper boats in the same area so its easy to go from one to the other. I highly recommend Adventure Raceway!

"Been going here for yrs every time we come down here from Ohio!! I even enjoy it with my 5 kids!! The only thing they need is an all day pass for the go carts. We could ride for hrs!"
