# VISITOR CENTER

## READY TO EXPLORE THE HOME OF ALL THINGS BEANS?

Head to the Bush's Visitor Center, located in the foothills of the Great Smoky Mountains in Chestnut Hill, Tennessee! Here, you can experience the Bush's story right in the place where it all began, with a completely renovated museum dedicated to our family, our company history and, of course, the humble little bean. You can also shop our general store and have lunch at our on-site cafe.

## RENOVATED MUSEUM

Completed in July 2022, our museum highlights Bush's rich history and values, provides an inside look at how our beans are made and lets you interact with fun exhibits all about the goodness of beans.

## GENERAL STORE

Want to grab a Bush's souvenir or a special gift for the bean lover in your life? You can shop our general store, which is housed in the same building as our founder's original store from the early 1900s.

## CAFE

While you're here, be sure to grab lunch in our cafe. The menu is packed with all your favorite Southern comfort food classics – including plenty of beans in their most delicious forms. Pro Tip: Try the Pinto Bean Pie!

At Bush's, we believe that beans make people happy. And a visit to our bean-filled corner of the world will too. Stop in soon for an experience that's nothing short of beautiful!
